TEA releases two types of test questions for the STAAR program—sample questions and test forms. Sample test questions are small subsets of test questions released from the STAAR test banks. These test questions may have been previously administered. A test form is a set of released test questions previously administered together to Texas students which reflects the STAAR test blueprints.

STAAR Released Test Questions | Texas Education Agency

At the end of grades 3 through 5, students are assessed in reading and mathematics, with an additional test in writing at the end of grade 4 and science at the end of grade 5. Grades 6 through 8 follow largely the same testing pattern, with reading and math tests every year, adding writing in grade 7, and science and social studies in grade 8.
