A tribute to Bob Ross-the soft-spoken artist known for painting happy

Get Free Bob Ross 2018 Wall Calendar The Joy Of Painting

clouds, mountains, and trees -- Happy Little Accidents culls his most wise and witty words into one delightful package. Ross has captivated us for years with the magic that takes place on his canvas in twenty-six television minutes--all while dispensing little branches of wisdom. His style and encouraging words are a form of therapy for the weary, but with Bob it is always about more than painting. There is a hidden depth within his easy chatter, another layer to everything he says. When he talks about painting, he's using it as a metaphor for life! Happy Little Accidents: The Wit and Wisdom of Bob Ross opens with an introduction and brief biography of Ross, followed by a collection of Ross's greatest quotes and most majestic works of art. Relax. Unwind. Be inspired.

Bob Ross--whose happy paintings, memorable hairstyle, and quirky catchphrases make us grin from ear to ear--is still as popular as ever. This mini kit captures Ross's matchless appeal. It includes the first-ever officially licensed Bob Ross bobblehead figure, and it plays 10 different wise and witty sayings from the art master. The kit also comes with a mini easel book featuring Ross's landscape works, which can be displayed alongside the bobblehead figure.

Bob Ross, the soft-spoken artist known for painting happy clouds,

mountains, and trees has captivated us for years with the magic that takes place on his canvas in twenty-six television minutes-all while dispensing little branches of wisdom. His style and encouraging words are a form of therapy for the weary. Send your own words of encouragement, support, or thanks with these notecards, which are the perfect way to greet a friend or loved one on any occasion. The set comes with: 10 cards, each featuring a different quote and full-color artwork by Bob Ross himself, space for your own personalized message
10 blank envelopes

A fun, funny, yet practical gift book containing 100 removable stickers that congratulate supposed grown-ups on a job well done... or at least a job done. Despite official reports, members of Generation X and younger feel completely and totally ill-prepared to deal with anything. They still, as purportedly self-sufficient adults, look toward Baby Boomers and the Greatest Generation and think, How did they do that? So the easiest and best way to find comfort is to look not ahead at uncertainty (or, heaven forbid, around at the chaos currently surrounding them), but to the past to their simpler childhoods. The generation who championed the coloring book-as-relaxation trend grew up in a world in which they spent hours obsessing over, trading, and decorating with stickers. And it is with

Get Free Bob Ross 2018 Wall Calendar The Joy Of Painting

brightly colored stickers that they will finally find peace of mind. For a little while, at least. Filled with 100 full-color removable stickers that can be used to decorate journals, notebooks, or your lapel to proudly and publicly proclaim life's little victories, *I Adulted!* is the ideal nostalgic and practical book for anyone who feels a sense of accomplishment by making it through a day without calling their mother for help.

This sequel to the best-selling Bob Ross Coloring Book features a collection of sixty-five seasonal paintings refashioned from Bob Ross's original works. The second coloring book based on the art of the beloved and acclaimed painter and television personality, this exclusive authorized collection of art, derived directly from Bob Ross's own paintings, offers his legions of fans a contemplative, relaxing, and inspiring way to connect with the work and personality of the pop-culture icon. Featuring many of Ross's most famous quotes and catchphrases about happy little trees, friendly squirrels, and more, the book also includes a full-color gallery of the original artwork. But as he would no doubt want, coloring fans of all ages are encouraged to make their own decisions, embrace their mistakes, and make each painting their own.

Bob Ross paints a stunning home for his squirrel friend, Peapod, in this delightful nod to a painter icon. This is the sweet story of a painter (Bob Ross) who helps his squirrel friend, Peapod, find the perfect home to live in. Bob paints an actual Ross painting, "Meadow Lake," in this charming tale about helping friends and embracing the serenity of life. Bob, along with Peapod, go through the various steps and processes to painting, including praising those "happy little accidents" that happen along the way.

With award-winning art, *Yellow Flowers* deals with cases of depression, lost love, derealization, and refound love. The book is arranged into five chapters: i, him, you, death, and yellow flowers. It asks readers to put together pieces of an internal puzzle of a chaotic mind, to understand the story of who the author is as a person.

Discover the joy of painting, just like Bob Ross himself, with this one-of-a-kind mini art set! Kit includes: Three pre-printed canvases with numbered sections -- 2 landscapes and 1 of Bob's famous face. Each canvas in around 3-1/8 x 2-3/4 inches. 7 paint pots Mini paint brush Mini easel for displaying finished paintings Full-color, fold-out sheets with detailed painting instructions 32-page book on Bob Ross, including painting tips

Relax with Seurat's bathers along the Seine while you recreate the artist's colorful masterpiece with stickers. Georges Seurat's Bathers at Asnières is one of the most famous and popular paintings in London's National Gallery. This activity book allows adults and children to understand how the artist used colors to create vibrant and luminous scenes. Opening with a brief informative essay, this book contains thousands of colored round stickers and a poster "canvas" of colored outlines - readers simply need to match the stickers to the outlines found on the poster to recreate the painting. It's not necessary to place each sticker on precisely the right outline. As a result, every finished poster will be its own original work of art. With a handy folder-style flap that allows for easy storage and transportation of the artwork in progress, this activity book is perfect for hours of entertainment, relaxation, or meditation, as well as for unwinding at the end of a busy day.

Readers will know Bob Ross (1942-1995) as the gentle, afro'd painter of happy trees on PBS. And while the Florida-born artist is reviled or ignored by the elite art world and scholarly art educators, he continues to be embraced around the globe as a healer and painter, even decades after his death. In *Happy Clouds, Happy Trees*, the

Get Free Bob Ross 2018 Wall Calendar The Joy Of Painting

authors thoughtfully explore how the Bob Ross phenomenon grew into a juggernaut. Although his sincerity in embracing democracy, gift economies, conservation, and self-help may have left him previously denigrated as a subject of rigorous scholarship, this book uses contemporary art theory to explore the sophistication of Bob Ross's vision as an artist. It traces the ways in which his many fans have worshiped, emulated, and parodied him and his work. His technique allowed him to paint over 35,000 paintings in his lifetime, mostly of mountains and trees in landscapes heavily influenced by his time in the Air Force and stationed in Alaska. The authors address issues of amateur art, sentimentality, imitation, boredom, seduction, and democratic practices in the art world. They fully examine Ross as a painter, teacher, healer, media star, performer, magician, and networker. In-depth comparisons are made to Andy Warhol and Thomas Kinkade, and mention is made of his life in relation to Joseph Beuys, Elvis Presley, St. Francis of Assisi, Carl Rogers, and many other creative personalities. In the end, *Happy Clouds, Happy Trees* presents Ross as a gift giver, someone who freely teaches the act of painting to anyone who believes in Ross's vision that "this is your world."
