BUSINESS COMMUNICATION: PROCESS AND PRODUCT presents the most current and authoritative communication technology and business communication concepts. Written by award-winning author and renowned leader Mary Ellen Guffey and new coauthor Dana Loewy, BC:PP offers the most up-to-date and best researched text on the market. The 7th edition includes new, interactive student resources and comprehensive coverage of workplace technology. This innovative coverage enhances the hallmark features of this textbook: the 3-x-3 writing process, three-part case studies, abundant use of model documents, and complete coverage in a 16-chapter textbook while retaining unparalleled teaching

resources to help instructors plan and manage their courses. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

ESSENTIALS OF BUSINESS COMMUNICATION, 9TH EDITION presents a streamlined approach to business communication that includes unparalleled resources and author support for instructors and students. ESSENTIALS OF BUSINESS COMMUNICATION provides a four-in-one learning package: authoritative text, practical workbook, self-teaching grammar/mechanics handbook, and premium Web site. Especially effective for students with outdated or inadequate language skills, the Ninth Edition offers extraordinary print and digital exercises to help students build confidence as they review grammar, punctuation, and writing guidelines. Textbook chapters teach basic writing skills and then apply these skills to a variety of e-mails, memos, letters, reports, and resumes. Realistic model documents and structured writing assignments help students build lasting workplace skills. The Ninth Edition of this award-winning text features increased coverage of electronic messages and digital media, redesigned and updated model documents to introduce students to the latest business communication practices, and extensively updated exercises and activities. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A Practical, Strategic Approach to Managerial Communication Managerial Communication: Strategies and Applications focuses on communication skills and strategies that managers need to be successful in today's workplace. Known for its holistic overview of communication, solid research base, and focus on managerial competencies, this text continues to be the market leader in the field. In the Seventh Edition, author Geraldine E. Hynes and new co-author Jennifer R. Veltsos preserve the book's strategic perspective and include new updates to reflect the modern workplace. The new edition adds a chapter on visual communication that explains how to design documents, memorable presentations, and impactful graphics. New coverage of virtual teams, virtual presentations, and online communication help students avoid common pitfalls when using technology.

BUSINESS COMMUNICATION: PROCESS AND PRODUCT is a market-leading text that gives instructors the most current and authoritative coverage of communication technology and business communication concepts while retaining a concise, logical 16-chapter organization. Written by award-winning author Mary Ellen Guffey, the 6th edition provides unparalleled instructor and student resources to help instructors plan and manage their courses. With the book's 3 x 3 writing process, coverage of recent trends and technologies in business communication, and an unmatched ancillary package, you and your students will find that teaching--and learning--business communication can be enjoyable and easy. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Readers refresh and strengthen language skills with proven grammar instruction and extensive learning resources found in BUSINESS ENGLISH, 12E by Mary Ellen Guffey and Carolyn Seefer. The market leader in grammar and mechanics since its first publication, BUSINESS ENGLISH uses a three-level approach to divide topics into manageable units that help readers hone the critical skills needed most. Packed with insights from the authors' more than 60 years of combined classroom experience, this edition helps readers develop the strong language skills necessary to perform confidently in today's digital classroom and tomorrow's workplace. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

BUSINESS COMMUNICATION: IN PERSON, IN PRINT, ONLINE, 9E offers a realistic approach to communication in today's organizations. The text covers the most important business communication concepts in detail and thoroughly integrates coverage of today's social media and other communication technologies. Building on core written and oral communication skills, the ninth edition helps readers make sound medium choices and provides guidelines and examples for the many ways people communicate at work. Readers learn how to create PowerPoint decks, use instant messaging and texting effectively at work, engage customers using social media, lead web meetings and conference calls, and more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This handy guide to excellent business communications is perfect for anyone, whether preparing for a career, launching a career, or advancing in a career. Future savvy business professionals understand that every organization expects employees to be exceptional business communicators and this book will get you there. Inside, the authors lead you through the most frequently encountered business communication situations with a combined 30 years of marketing and communication experience. Their success will give you very accessible, entertaining, and informative answers to your questions. Also included are real anecdotes from business professionals from different industries.
