These authentic recipes will bring classic Chilean flavors to your doorstep! The Spanish phrase *quédate un poquito*, or “ stay a while, ” is the essence of Chilean hospitality—one does not “ stop by for a quick bite ” in Chile. Comprised of more than seventy authentic Chilean recipes, organized seasonally for maximum freshness, and tweaked ever-so-slightly to fit neatly into the US market, this book creates an accessible, authentic, and uniquely Chilean cooking experience. It marries Pilar ’ s family recipes and Eileen ’ s astute writings, which make even those who have never visited Chile feel like they have found home. Seasonality is the backbone of the Chilean table—each of the four seasonal sections will include a short opening essay to prepare the reader for the bounty of the season. A unique fifth section is included for *La Once*, or tea time, which transcends the seasons but is quintessentially and irrevocably Chilean. Mouthwatering recipes will include: Caramelized onion empanadas Double crusted spinach pie Grilled steak soup Pickled chicken thighs Spicy pork ribs Tomato shrimp stew Dulce de leche thousand layer cake Chilean white sangria So many more!

In a powerful debut novel that moves between the crowded streets of London and the desolate mountains of Iran, Yasmin Crowther paints a stirring portrait of a family shaken by events from decades ago and worlds away. On a rainy day in London the dark secrets and troubled past of Maryam Mazar surface violently, with tragic consequences for her daughter, Sara, and her newly orphaned nephew. Maryam leaves her English husband and family and returns to the remote Iranian village where her story began. In a quest to piece their life back together, Sara follows her mother and finally learns the terrible price Maryam once had to pay for her freedom, and of the love she left behind. Set against the breathtaking beauty of two very different places, this stunning family drama transcends culture and is, at its core, a rich and haunting narrative about mothers and daughters.
