Shades hadn't seen Skylar in years, and now here she was, the love of his life, riding back into his life on the back of a brother's bike. For years after Shades had lost Skylar, he'd tried satisfying the emptiness of losing her with booze, women and the club. He'd turned his frustration at having to give her up into a determination to climb the ranks of the club, but he hadn't counted on the fact that the pull he'd felt toward Skylar had only lain dormant in him all these years. Or that all it would take to reignite it was just one look at her. And he sure as hell hadn't counted on her showing up on the back of a brother's bike. When Skylar finally comes back into his life, will his desire for earning that VP patch stand in the way of any future he could have with her? And when a rival MC shows up looking for Skylar, things go from complicated to damn near impossible. Does Skylar come with more baggage than Shades is willing to sign up for? A tale of revenge, loyalty and debts owed. He's the Enforcer for the New Orleans Chapter of the Evil Dead MC. She's a nurse, kidnapped and thrust into a situation out of her control. Chained to a bed, his wounds on fire, his mind foggy with fever, Blood is losing all hope of ever making it out of the stifling New Orleans row house. Until the door opens and an angel of mercy is thrust inside. Nurse Catherine 'Cat' Randall stared at the man on the bed. He's dark and dangerous and everything she hates-just another filthy biker. Only he isn't. He's nothing like the others. And she's his only hope of escape. Can she risk helping him? Can she trust a man who wears an MC patch? How can he be her savior when he wears the face of her deepest fear? Blood owes the pretty nurse a debt-one he's determined to repay, even if it clashes with his duty to his club. He made her a promise. But time is running out. To keep that promise and repay the debt he owes, he may have to sacrifice it all-everything that ever meant a damn to him. Fighting treachery, betrayal, and dirty deals, there are a hundred ways it could all go wrong, but Blood is determined to have Cat for his own. She's fast becoming his weakness. As the smoldering passion between them flares to life, burning hot and intense, no one is going to stop him. He wants it all, and he'll settle for nothing less. This is an emotional story filled with twists and turns, tragedy and humor that only the Evil Dead MC can deliver. Hang on for a ride you won't forget.

When Undertaker saved an innocent young girl from the clutches of a rival MC, he never expected she'd form an attachment to him, refusing to leave the safety of his clubhouse. But the President of the Evil Dead MC has a club to run. What he doesn't have is the time or the experience to help Holly get past the traumatic experience she's been through. Counseling is what she needs, and he'll see she gets it. The last thing Undertaker expects to see when that therapist walks through his clubhouse doors is a face from his past. They'd met years ago when he'd been ordered into counseling as part of his parole. Eleven years locked in a cell does things to a man, but back then Undertaker hadn't had time to deal with all his demons. He had a motorcycle club he needed to get back to, and an untimely death in the ranks had him stepping up to fill the spot of President and fulfill his destiny-one that didn't include the fresh-out-of-college psychology intern who'd been put in charge of his case. She'd known nothing of his problems. How could she? Now, a dozen years later, fate was coming around again, throwing them back together. But Allison Carter wasn't that naïve girl anymore; she was all woman now. And the President of the Evil Dead's New Orleans Chapter was about to make her his. Only problem was he had to let one sweet girl down easy before he could pursue her hot-as-sin therapist. It won't be so simple when trouble from his past threatens everything. When an ex-con biker sets his sights on you, do you run? No? Not even when he comes with more trouble than you can handle?

ONE KISS CAN RUIN A GIRL, OR MAKE HER WHOLE AGAIN... CORA Never kiss an outlaw, they said. Easy advice, until the day my father's dirty secrets made me property of the Deadly Pistols Motorcycle Club. Easy, until I came face-to-face with the beautiful bastard who makes me burn with every glance. Firefly. I tried to fight it. Threw every insult in the world his way, hoping to hide how bad my lips were begging to be kissed. Now, I'm losing the battle. Completely. I turned his life upside down. His cocky, unbelievable promises are flipping mine right-side up. He says he's going to make me his. I'm going to love it. And he isn't taking no for an answer. I should slap him upside the head. Instead, I'm becoming a believer in his caveman promises because I can't keep my hands off him... FIREFLY No more games. I cut Cora a hundred kinds of slack when she landed in my world, one that's too twisted for a sheltered spitfire. I laughed at the sass and smears coming out of her mouth 'til the day the Prez made me her bodyguard. Then I put an end to her crap. I protected her. I laid down the law. One raging kiss shut her up for good. Never expected what came next, this urge to rip off her clothes, throw her on my bike, and own her. The monsters coming after her, they're already dead. It's the future that counts, and there's only one I'll live. Cora, she'll get my ink on her skin. She'll wear my ring. She'll have my kid. I'm taking what's mine, taking her night after night, and she's gonna get used to my lips on hers forever. The Outlaw Love books are stand alone romance novels featuring unique lovers and happy endings. No cliffhangers! This is Firefly and Cora's story in the Deadly Pistols MC series.

“Sharp, funny, and sinfully sexy—Nicole Helm is my favorite new author!” —Maisey Yates, New York Times bestselling author *Wrong Guy*. Wrong situation. Might be right. Free of her overbearing family and their dreams, not hers, Kayla Gallagher is living for herself instead of for her clan's successful restaurant. Step One: finally make her move on Aiden Patrick, the bad-boy son of Gallagher's long-time repairman. Too bad Aidan's taciturn older brother shows up instead . . . As the “responsible Patrick,” Liam has always made a conscious choice to do the right thing. He likes fixing things for people—whether it be a broken appliance or a bad situation. Which means he can't just brush off the quiet Gallagher. Clearly, she needs a shoulder to lean on. But suddenly a shoulder becomes so much more, and Kayla isn't the quiet little girl she used to be. She's a vivid, down-for-anything woman showing Liam several sizzling ways to put passion first . . . As things heat up between them, Liam's family threatens to come apart for good. The only way Liam can set things right means giving up Kayla. But she's not about to take no for an answer—or let their chance for something sweeter than desire crash-and burn without a fight. “[A] deeply moving contemporary...The protagonists are refreshingly willing to be up front about their feelings and listen to each other, and readers will want to revisit their story often.” —Publishers Weekly (STARRED REVIEW) on *Need You Now*

AN OUTLAW'S KISS SEDUCES, CONQUERS, AND NEVER LIES... MISSY The dirty little secret dad left in the basement was supposed to be our salvation. Guess nobody told him you don't take cash from killers without savage consequences. Now, the Grizzlies Motorcycle Club owns my sister and I. We're only alive because the rugged hulk with the piercing eyes who won't stop ordering me around says so. He saved us, but he's also an enigma I don't understand. Why does he keep calling me his old lady? Is he really the light to our darkness? And why the hell can't I stop thinking nasty, shameful things about ending up underneath his wicked tattoos and crude lips? **BRASS** I claimed her on impulse, and all my brothers laughed. Didn't know I'd end up with a smoking hot spitfire who looks at me like I'm the devil himself. I expected my reputation to crack, but my damned mind's going with it. She's got me questioning my own club and asking myself every single day how long I can keep my hands off her. It was only pretend, a way to keep her safe. But I can't ignore the very real brutality, corruption, and danger stalking us. Just like I can't forget the storm in my blood that won't stop howling 'til she's wearing my brand and bracing for my kiss. Play time's over. Missy's gonna be my old lady - no more faking it - and nothing's standing in my way...

Rusty-I'm the president of the Devil Kings Atlanta MC. With a fractious club to rebuild and a revolving door on my bedroom, the last thing I need is 5'4" of sex-on-a-stick trouble. When a mysterious beauty shows up with her playmate's body, dark soulful eyes and a bagful of cash, I'm willing to make an exception. I don't fully trust her, but she needs my help. **Ashlynn**-Things are finally good. I'm one of the best high-roller hostesses on the strip. But I've lived in Las Vegas two years and have yet to unpack my bags. Why? Because shit always goes sideways. I should have known this time would be no different. When I'm asked to hostess a private poker game at a mega exclusive hotel penthouse, I end up in the proverbial wrong place at the wrong time. I'm the sole witness to a double murder and I'm suddenly on the run again, but this time I'm running for my life. I get as far as Atlanta before my Porsche blows a tire. That's when he shows up. Dangerous. Drop-dead gorgeous. Scary badass biker. One I can't take my eyes off. Maybe this town is as good as any to lay low. When trouble tracks me down, I want to run again. But he has other plans. He'll protect me—for a price. My willing body in his big bed—all night, every night. That's the dirty deal he offers. Dare I accept? Where the President of the Devil Kings is involved, there are no rules. But I'll stand toe-to-toe with him and make it out of this bargain with my heart intact. Because in the end, running is what I do best.
