Crowdstar's It Girl can be viewed as a harmless game where girls can play dress-up and strive to be the belle of the party; or it can be seen as a game that promotes materialism and thoughtless behavior. Since players of the same level shop at the same stores and each store carries a limited number of items, the only way to distinguish your character is to pay for select items from the cash store.

The Entrepreneur's Guide to a Powerful (and Profitable) Crowdfunding Campaign

"Teaching small business management courses is exciting, but it can also be quite challenging. Some students take courses in small business management because they want to start and run their own firm someday. For other students, the idea of having their own business is appealing, even though they know they prefer to have a regular job after they graduate. Yet other students may find themselves in a small business management course when looking for an interesting

elective to take. Most college students have very little experience actually managing a business. Some students, however, have grown up in a small business where they saw one or both parents (and sometimes, grandparents) work hard in the business. In other words, there are few similarities in how much students know and care about small firms. My goal in writing this text is to encourage student learning and engagement with small business, regardless of differences in students' motivations and reasons for signing up for this course"--
