about using black powder? You ' ll
need a licence from the local police
and a reason for using it. Having a
gun proofed for black powder should
be enough.

~~Black powder licences - here's what
you need to know~~

Online Library Loading The Black Powder Rifle

Black powder is very volatile and subject to ignition from sparks or even static electricity, so you want to deal with the smallest amounts possible while loading your rifle. Pyrodex is less sensitive and less apt to absorb moisture. It ' s also easier to clean and easier to store safely. For
