Memoirs of an Addicted Brain: A Neuroscientist Examines ...

This is the estimable Dr. Marc Lewis, who's book "Memoirs of an Addicted Brain" is scheduled for US release tomorrow. I've had the good fortune to read an early copy of the manuscript and I find it brilliant both for Dr. Lewis's ability to capture the cavalier antics of his life as an active addict and at the same time explain the neuroscience behind that cavalier attitude. Suddenly addiction ...
