No Ordinary Joe: The Life and Career of Joe Biden tells the story of Joseph Robinette Biden, the presumptive Democratic nominee for the 2020 US presidential election. Over the course of his long career, Biden has bounced back from ridiculous gaffes, humiliating scandals, political defeats, unimaginable personal tragedy, and being read the last rites. Even Biden's rivals have paid tribute to his incredible capacity to continue through the worst that life can throw at him. If Joe Biden's latest – and probably final – campaign ends with him becoming the oldest man ever elected as America's president, it will be his most triumphant comeback of all. This is the remarkable life of the man who just might become the 46th President of the United States.

Author Michael O'Brien authoritatively paints the consummate Paterno portrait, the result of more than ten years of work that included 137 interviews and study of 150 previously published works. Paperback includes an epilogue that reviews the 1998 season in which Paterno won his landmark 300th career victory.

IT WAS past three o'clock in the morning when Joe Calzaghe experienced the sweetest validation of his professional life. Victory over Jeff Lacy, a 28-year-old American compared to a young Mike Tyson because of his power and "take-no-prisoners attitude", left no one in doubt about the world super middleweight champion's talent. For years, Calzaghe's virtuosity remained a legend of the Welsh valleys. His defeat in 1997 of Chris Eubank brought him to prominence, winning for him the World Boxing Organisation (WBO) super middleweight title. But despite a record number of defences of the belt, his career lacked a defining contest. A long line of challengers and ex-titleholders were disposed of but the biggest names in American boxing avoided the ultimate showdown he craved. Hand injuries further obscured the true level of his aptitude for an art he began to learn from his father, Enzo, at the age of eight when – inspired by Sugar Ray Leonard – a rolled-up carpet in the family home in Newbridge became a makeshift heavy bag. This is the story of Calzaghe's extraordinary life, from his humble beginnings in his hometown of Newbridge, to his ascent to personal greatness, becoming the first super middleweight boxer to win the prized belt awarded by The Ring, the bible of boxing, in the division's near 20-year history. One of Britain's foremost sporting champions, a warrior and working-class hero, this is the story of the triumphs and trials that made Calzaghe a legend.

'He's a great coach. He lives and breathes the game. There's nothing he doesn't know' Brian O'Driscoll 'The best coach Irish rugby – arguably Irish sport – has ever had' Malachy Clerkin, Irish Times In the autumn of 2010, a little-known New Zealander called Joe Schmidt took over as head coach at Leinster. He had never been in charge of a professional team. After Leinster lost three of their first four games, a prominent Irish rugby pundit speculated that Schmidt had 'lost the dressing room'. Nine years on, Joe Schmidt has stepped down as Ireland coach having achieved success on a scale never before seen in Irish rugby. Two Heineken Cups in three seasons with Leinster. Three Six Nations championships in six seasons with Ireland, including the Grand Slam in 2018. And a host of firsts: the first Irish victory in South Africa; the first Irish defeat of the All Blacks, and then a second; and Ireland's first number 1 world ranking. Along the way, Schmidt became a byword for precision and focus in coaching, remarkable attention to detail and the highest of standards. But who is Joe Schmidt? In Ordinary Joe, Schmidt tells the story of his life and influences: the experiences and management ideas that made him the coach, and the man, that he is today. And his diaries of the 2018 Grand Slam and the 2019 Rugby World Cup provide a brilliantly intimate insight into the stresses and joys of coaching a national team in victory and defeat. From the small towns in New Zealand's North Island where he played barefoot rugby and jostled around the dinner table with seven siblings, to the training grounds and video rooms where he consistently kept his teams a step ahead of the opposition, Ordinary Joe reveals an ordinary man who has helped his teams to achieve extraordinary things. 'Rugby obsessives and amateur coaches will revel in the insight that Schmidt offers into his training methods, tactics and preparation ... Full of insight, emotion and considered analysis' Irish Daily Mail 'An insight into the fascinating personality of the man who has been the single most influential figure in Irish rugby over the last decade' Irish Times 'He is clearly more than an ordinary coach, the winning of two Heinekens, beating New Zealand twice, the 2018 Grand Slam and reaching no.1 in the World Rankings are positive brushstrokes, marking Irish rugby for ever ... A rocky read about exceptional deeds, told in extraordinary fashion' Irish Daily Star 'Undoubtedly the greatest coach in Irish rugby history' Daily Telegraph

A brilliant, fast-paced comedy about life behind the scenes in the film business, and how to survive when your greatest fantasy comes true and threatens to wreck your perfectly ordinary life.

THE INSTANT NATIONAL BESTSELLER No Ordinary Dog is the powerful true story of a SEAL Team Operator and military dog handler, and the dog that saved his life. Two dozen Navy SEALs descended on Osama bin Laden's compound in May 2011. After the mission, only one name was made public: Cairo, a Belgian Malinois and military working dog. This is Cairo's story, and that of his handler, Will Chesney, a SEAL Team Operator whose life would be irrevocably tied to Cairo's. Starting in 2008, when Will was introduced to the SEAL canine program, he and Cairo worked side by side, depending on each other for survival on hundreds of critical operations in the war on terrorism. But their bond transcended their service. Then, in 2011, the call came: Pick up your dog and get back to Virginia. Now. What followed were several weeks of training for a secret mission. It soon became clear that this was no ordinary operation. Cairo was among the first members of the U.S. military on the ground in Pakistan as part of Operation Neptune Spear, which resulted in the successful elimination of bin Laden. As Cairo settled into a role as a reliable "spare dog," Will went back to his job as a DEVGRU operator, until a grenade blast in 2013 left him with a brain injury and PTSD. Unable to participate in further missions, he suffered from crippling migraines, chronic pain, memory issues, and depression. Modern medicine provided only modest relief. Instead, it was up to Cairo to save Will's life once more—and then up to Will to be there when Cairo needed him the most.

When opportunity knocked, Joe Tiller busted the door down. Tiller became a major college head football coach somewhat late in his career. He was hired as the head coach at Wyoming just 12 days after his 48th birthday and became the head coach at Purdue two weeks before his 54th birthday. A disciple of the wide-open offenses used in the former Western Athletic Conference, Tiller's Wyoming teams enjoyed great success in what he fondly refers to as the "Wacky WAC." After leaving the Cowboys for Purdue, some coaches insisted that his one-back, spread offense wouldn't fly in the Big Ten Conference, with its physical, smash-mouth style of play. Instead, Tiller's fast-breaking offense, now nicknamed "basketball on grass," took the Big Ten by storm. Before Tiller came aboard, Purdue had endured 12-consecutive losing seasons. But under Tiller, the Boilermakers have enjoyed arguably their most successful winning stretch ever. Tiller's first eight teams went to bowl games, including the Rose Bowl. Before becoming a head coach, Tiller had served as an assistant at Montana State (his alma mater), Washington State, Purdue and Wyoming. He also spent nine years in Canada with Calgary of the CFL as an assistant coach, interim head coach, and in the front office-where he was responsible for booking rock star Alice Cooper and evangelist Billy Graham for appearances at McMahon Stadium, home of the Stampeders. In many ways, Tiller is a typical who has spent most of his life in the conservative Midwest and the open spaces of the western United States. A regular Joe, Tiller's laid-back style, wry sense of humor and, of course, winning ways has made him a hit with Purdue players and fans alike.
