The third edition of this definitive and popular book, marking the 60th anniversary of the Speedmaster Now includes 17 new Speedmasters and an additional 120 new illustrations Updated models, serial range, and popularity index make this a must-buy for collectors "Moonwatch Only is certainly one of the best books ever written about a single watch model." - William Massena - Timezone.com "It is an indescribable reference work and a true must-have for every Speedmaster collector." - Forbes "This book sets a new standard. Not only for books on the Omega Speedmaster, but for watch books in general. I've never seen anything like it, and believe me when I tell you that I could fill an impressive sized wall with books on watches. Authors of other books or publishers should take a look at Moonwatch Only as well to see how it should be done." - Robert Jan Broer - FratelloWatches "The OMEGA Speedmaster Professional - the Moonwatch - has done things that no other timepiece has done and it's been worn in places that only a few human beings have been." - Captain Eugene Cernan, "Last man on the moon" There are very few timepieces in the world that deserve a definitive and comprehensive book such as this one. The OMEGA Speedmaster Professional Moonwatch is one of them. Initially designed for automobile racing teams and engineers, the Omega Speedmaster embarked on a very different trajectory when NASA chose it to accompany astronauts heading for the Moon in 1965. Its involvement in the space adventure has propelled the Moonwatch to the top of the list of celebrated timepieces. After years of research and observation, the authors present a complete panorama of the Moonwatch in a systematic work that is both technical and attractive, making it the inescapable reference book for this legendary watch. This third edition marking the 60th anniversary of the Speedmaster has been enriched with numerous new features including a 16-page gallery of astronauts and their Speedmaster, QR codes to extend your exploration and a detailed story of a vintage Speedmaster.

Covers reasons to invest in a luxury watch! Easily readable- JJPEngr 4/5 Stars ***** »Four Stars. Involving.« Aaron »I enjoyed the book and now must rob a bank to afford a Rolex or Patek-Philippe.« John G. »That was an interesting book. I am ready to move up to luxury.« John F A luxury watch is more than \$5,000. So naturally in this topic there is a lot of money involved. This book will help you to avoid wrong decisions that would cost you huge amounts of money. It will help you to understand how the luxury watch market works. There are a lot of watchmakers and even more watches on the market. It will help you to identify the top brands and watches that not only look nice, but are a good investment into the future. Vintages models are very en vogue for some years now. So if you consider purchasing a luxury watch, there are a lot of things you need to know. Like e.g. What is a luxury watch and what makes it so expensive? What models and brands keep their value over years, which even grow in value? What are the top watch brands of the world? What are the top watch models, the timeless classics available? Should I buy a replica watch? Can a luxury watch be a financial investment like artworks, oldtimers or precious metals? This book will help you with basic knowledge and some personal advice. In this virtual catalog of Rolex wristwatches, collectors and buyers will find 3,621 wristwatches in over 14 different model lines: Oyster, Bubbleback, including Chronograph, Submariner, Explorer, and more. Each watch is shown in full color, with the most important technical details as well as reference numbers, and year of manufacture provided. This variety of information is of inestimable worth for the wristwatch collector and buyer. In one place, for example, they can see the typical Oyster from the 1940s and nearly all the case and dial variations that were available. The same applies to all the lines made by Rolex. In short, for everyone who collects Rolex or only wants to acquire a beautiful vintage wristwatch with the crown, this book an absolute must. An illustrated history of the Rolex waterproof wristwatch is included.

This beautiful and exciting book presents the most stunning and important Omega watches. A range of over 100 marvelous photographs, informative text, and technical details document more than 60 years of fascinating wristwatch design of one of the world's best known and most popular Swiss wristwatch manufacturers. Among the memorable wristwatches included here are the Speedmaster model that went to the moon and the James Bond edition that served on Her Majesty's Secret Service. The rest of the models covered include, first, the historical models, and the Legend Collection, Seamaster, Chronographs, Olympic Collection, and Elegant Watches. Technical information provided for each watch includes the reference number, movement, functions, case, remarks, and the estimated value in the year the model was produced. This book will be a joy for all who appreciate fine craftsmanship.

Watches are worthwhile investments. Of course not all watches, but only certain ones, special ones, selected ones. But not so special that you could not just buy them. At least some of them. How to recognize what in this form of investment pays off, this book is all about. Like all luxury goods, a watch must be rare and in demand to rise in value. Therefore, all consumer goods decrease in value  but not luxury goods: Luxury goods are rare, not available, scarce, durable and timeless, thus stable in value and therefore in demand. This book will give you all the details of investing in luxury watches in a nutshell and focused on the crucial information, so once you've read it, you immediately can go and buy your first watch as an investment.
