Oster 6700 In2itive New Tech Blender and Food Processor ...

The Oster In2itive blender is another line of blenders from the famous company Oster and since their conception in the mid 1940's Oster it seems have led the way in the blender market. Oster In2itive Blender Now with the introduction of the In2itive blender Oster could have taken them to the next level.

*The Oster In2itive Blender*

If the Oster® In2itive® Blender isn't powering on properly, check the following: Is the blender plugged into a working outlet? Is the jar positioned on the base correctly? Is the blade assembly tightened all the way? Did you select a power setting and then press Start? Any other order will cause it not to run the programs.
