I have a kenmore elite dishwasher, that has power to the ... Finding your Kenmore model number on your dishwasher should not be very difficult to locate. The Kenmore brand is made by Whirlpool, LG and Frigidaire, however, the dishwashers are mainly made by the Whirlpool mother brand. Whirlpool has created an easy to follow graphic that shows you all the potential places your model number could be. When it comes to Kenmore dishwasher models, the model numbers can be found on the top of the door, the side of the door, on the door jam or inside the tub.
