This is an invaluable reference guide that you'll always want to carry with you everywhere you go - for your entire career!

A reference from what I studied to pass the Branch 2 Field Rep examination. I took the test twice and I brought questions I recall from the tests it back for this study template. It should be that other materials are provided to study and learn to pass the examination, but there really is not one reference to learning the answers of 4 test choices with 150 questions on each adding to a possible 600 possible questions you need to know. I have provided 200 of the questions in this book.

Everything You Need To Know To Pass A Termite License Exam On Your First Try! Are you looking to get into the termite control industry? If you need to pass an exam to get your termite license, then this is the book for you! In it you'll learn: About the types of chemicals, formulations and how to read product labels.
