Our Mission statement. Our Mission at Art=Opportunity is to ensure that all children have access to learn in, with and through the arts. Our own research of CSUSM college students identifies social equity factors that play into college preparedness and success. We recognize that there is significant social inequality in our society and understand there is much work to be done to create an equal playing field for all children.

The Art of Opportunity [Book] - O'Reilly Online Learning

Art teachers are constantly asked to design images for clubs and events. While this is a great opportunity for you to help out in the school community, a student's design will always have a much greater impact. When you give students these opportunities, you are also showing them the faith you have in their abilities.
