Clarissa Pinkola Estés, Ph.D., the internationally known poet, psychoanalyst, and author of the seminal classic *Women Who Run With The Wolves* (99 weeks on the New York Times bestseller list, translated into eighteen languages, and a bestseller worldwide), touches our lives anew, rendering in the strong and lyrical voice for which she has become known a powerful series of her signature healing stories. These elegantly interlocked tales of loss, survival, and fierce rebirth center around Dr. Estes's uncle, a war-ravaged Hungarian peasant farmer and refugee, a faithful gardener, and a storehouse of stories who was one of the "dancing fools, wise old crows, grumpy sages, and 'almost saints' who made up the old people" in Estés's childhood. Told with graceful simplicity, deep feeling, generous humor, and profound optimism, *The Faithful Gardener* is, at its captivating core, the story of an open-hearted child who listened well to her old-country elders and who grew up to remember, to bear witness, and, as one of the premier storytellers of our times, to remind readers and listeners of all ages of "that magisterial life force within all things that strengthens us in times of turmoil or transition, that faithful force which can never die."

"Call her Our Lady, La Nuestra Señora, Holy Mother—or one of her thousands of other names," says Dr. Estés. "She wears hundreds of costumes, dozens of skin tones, is patroness of deserts, mountains, stars and oceans. Thus she comes to us in billions of images, but at her centre, she is the Great Immaculate Heart." With *Untie the Strong Woman*, Dr. Clarissa Pinkola Estés invites us to reconnect with "the fierce and loving Blessed Mother who is friendly, but never tame—she who flies to our aid when the road is long and our hearts are broken, ever ready to rekindle the inner fire of our creative souls." In her first book in more than a decade, Dr. Estés illuminates Our Lady through blessings, images, and narrative, including: • Stories of connecting with the Blessed Mother, including "Meeting the Lady in Red", and "Untie the Strong Woman" • Blessed Mother's many images from around the world, including "Litany of The Mother Road: A Chant of Her Incandescent Names"; "A Man Named Mary"; and "The Marys of Mother Africa" • The wild side of her love, including "Massacre of the Dreamers: The Maiz Mother"; "Holy Card of Swords Through the Heart"; and "Guadalupe is a Girl Gang Leader in Heaven" "The Blessed Mother is often 'Friend to the friendless one' and Mother to all—yet too many of us have been estranged from her for far too long." *Untie the Strong Woman* opens a channel to this sacred and nurturing force—"breaking through walls that have held us back from her presence, and instead, inviting us to shelter under her starry green mantle".

A Jungian analyst explores the feminine psyche through stories of "wild women"--the mythological archetype of the strong, primitive woman

Drawing on an intensive five-year field study of organizations and hundreds of interviews with contemporary leaders, the author of *Excellence* presents a brilliant examination of leadership as it is practiced--or malpracticed--in America today. Gardner has served seven presidents in various leadership capacities.

This modern retelling of the ancient Greek myth is “ a brilliant achievement ” by the New York Times–bestselling author of Grendel (The Houston Post). In this magnificent epic poem, John Gardner renders his interpretation of the ancient story of Jason and Medeia. Confined in the palace of King Creon, and longing to return to his rightful kingdom Iolcus, Jason asks his wife, the sorceress Medeia, to use her powers of enchantment to destroy the tyrant King Pelias. Out of love she acquiesces, only to find that upon her return Jason has replaced her with King Creon ’ s beautiful daughter, Glauce. An ancient myth fraught with devotion and betrayal, deception and ambition, Jason and Medeia is one of the greatest classical legends, and Gardner ’ s masterful retelling is yet another achievement for this highly acclaimed author.

Conviction or Mercy? Which characteristic should most exemplify those who want to follow Christ? Many Christians tend to emphasize one or the other but not both. This book emphasizes the importance of merging the two to be truly like Christ. Though combining mercy and conviction has always been a challenge throughout history, it is especially difficult now as our culture is increasingly affected by a Postmodern worldview and the backlash against it.

“ Fearless, illuminating ” criticism from a New York Times–bestselling author and legendary teacher, “ proving . . . that true art is moral and not trivial ” (Los Angeles Times). Novelist John Gardner ’ s thesis in On Moral Fiction is simple: “ True art is by its nature moral. ” It is also an audacious statement, as Gardner asserts an inherent value in life and in art. Since the book ’ s first publication, the passion behind Gardner ’ s assertion has both provoked and inspired readers. In examining the work of his peers, Gardner analyzes what has gone wrong, in his view, in modern art and literature, and how shortcomings in artistic criticism have contributed to the problem. He develops his argument by showing how artists and critics can reintroduce morality and substance to their work to improve society and cultivate our morality. On Moral Fiction is an essential read in which Gardner presents his thoughtfully developed criteria for the elements he believes are essential to art and its creation. This ebook features an illustrated biography of John Gardner, including original letters, rare photos, and never-before-seen documents from the Gardner family and the University of Rochester Archives.
