their knowledge of wild fungi and improve your identification skills. They provide a welcoming environment for new members to enjoy exploring the world of fungi.

Groups :: British Mycological Society

Download File PDF The Fungal Colony British

The Society was formed based on the efforts of two local societies, the Woolhope Naturalists' Field Club of Hereford and the Yorkshire Naturalists' Union. The curator of the Hereford club, Dr. H.G. Bull, convinced the members in 1867 to undertake the

Download File PDF The Fungal Colony British

particular study of mushrooms. While the mycological efforts of the club diminished somewhat upon the death of Dr. Bull, the Union of Yorkshire took the lead and founded its mycological committee in 1892.
