The Lee Avenue Haunting had a lot of the same aspects as Amityville. To me the book was more of a collection of short I won this book through a Goodreads Giveaway and read it in about 2 hours. Haunted House On Lee Ave - West Virginia Ghosts

The Lee Avenue Haunting is an enjoyable read. The author's voice conveys the raw emotion of living through such paranormal events. The mix of being brought into the story timeline of the child's experience, reflection of the now adult author, and the interjections of wisdom from a paranormal investigator make for a well-rounded book.
