The Slynx (New York Review Books Classics): [Amazon.co.uk](https://www.amazon.co.uk) ...

Tatyana Tolstaya's *The Slynx* is a jewel among the list of classics published by New York Review Books, a post-apocalyptic satire taking place two hundred years after “ the Blast ” in what was the city of Moscow. Human society has reverted to a state more primitive than a village in the darkest age of medieval, dark-age Europe.

The Inextricable Reader: The Slynx
The slynx is thus less mythic than symbolic: it ' s the beast in man. Tolstaya enriches this mordant farce with a wealth of weird supporting detail reminiscent of Anthony Burgess ' s futuristic classic A Clockwork Orange. An ending note informs us that The Slynx was written between 1986 and 2000, and it ' s easy to see why.

The Slynx by Tatyana Tolstaya, Paperback | Barnes & Noble® "The Slynx", the debut novel by Tatyana Tolstaya, the granddaughter of the Russian writer Alexey Tolstoy, is worth reading. There are many reasons to recommend this book. The first and perhaps most important one is the language - funny, full of neologisms and contrasts, bursting with life; the novel is an excellent satire on the contemporary changes in the language, its simplifications and ...
