coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

"Treasures From His Word: (Nuggets For Daily Living)" is a compilation of scriptures from God's Word intended to uplift and encourage the believer. Each scripture is accompanied with a "from the heart" note from the author, a prayer, an affirmation, and a personal entry section - giving individuals an opportunity for reflection, to express what is on their heart or to record their own prayer. These nuggets are a perfect addition to one's devotional, meditation or simply to be used in strengthening one's faith. It has become necessary for the believer to be more deliberate and intentional in consuming God's Word, especially as we grapple with the busyness of our daily lives. "Treasures From His Word" is one such tool in keeping us connected to the source of our existence: our heavenly Father.

Arguably the oldest book in the Bible, the book of Job has a surprising amount to say about some of the newest scientific discoveries and controversies. Far from a book that is just about suffering, Job is filled with rich insight into both ancient and modern questions about the formation of the world the difference between animals and humans cosmology dinosaurs and the fossil record how to care for creation and more With careful consideration and exegesis,

internationally known astrophysicist and Christian apologist Hugh Ross adds yet another compelling argument to the case for the veracity of the biblical commentary on the history of the universe, Earth, life, and humanity. Hidden Treasures in the Book of Job shows that the Bible is an accurate predictor of scientific discoveries and a trustworthy source of scientific information, and that both the book of Scripture and the book of nature are consistent both internally and externally.

Studying the Word of God is not an optional for any child of God that desires to grow spiritually and increase in the knowledge of God. It is very important that we find time to search the Holy Scriptures so that we can familiarize ourselves with the promises of God relating to His plan and purpose for our lives. In this book, David Odunaiya has provided guidelines that can help you to get the most out of the precious time you spend in God's WORD. There are many books out there telling you the "What" and the "Why", but this book will tell you the how!

A brand-new book from the Father of the Modern Creationism Movement, this marvelous look at the author's favorite book of the Bible gives the reader insights not commonly taught in the Church today. This devotional, focusing on the spiritual, physical, and scientific dimensions of the Psalms, starts with the conviction that the Bible is a supernaturally-transmitted collection of the books, with Psalms leading the parade of the world's greatest literature. From the book's definite nod to scientific concepts, to the groanings of King David, *Treasures in the Psalms* promises to be a gift beyond measure.

*How to Live as Jesus Lived* Dallas Willard, one of today's most brilliant Christian thinkers and author of *The Divine Conspiracy* (Christianity Today's 1999 Book of the Year), presents a way of living that enables ordinary men and women to enjoy the fruit of the Christian life. He reveals how the key to self-transformation resides in the practice of the spiritual disciplines, and how their practice affirms human life to the fullest. *The Spirit of the Disciplines* is for everyone who strives to be a disciple of Jesus in thought and action as well as intention.

A beautiful, full-colour gift book with bite-size nuggets that will encourage, uplift and inspire. Featuring excerpts from Nina Smit's writing and text from the New International Version.
