Windows 7 review | TechRadar

Windows 7 has become very popular, and it is the top operating system that people use when visiting WinCustomize. With eyes already on Windows 8 I wanted to create the "definitive" guide to skinning Windows 7 based on skins, themes, and the best associated software you can find on WinCustomize.com. The items I list below will be a mixture of freeware and paid software, and links to downloads and product pages will be included.
