This book is the first to offer an interdisciplinary and comprehensive reference work on the often-marginalised languages of southern Africa. The authors analyse a range of different concepts and questions, including language and sociality, social and political history, multilingual government, and educational policies. In doing so, they present significant original research, ensuring that the work will remain a key reference point for the subject. This ambitious and wide-ranging edited collection will appeal to students and scholars of southern African languages, sociolinguistics, history and politics.

Synonymous with practical travel tips, quality writing and a trustworthy 'tell it like it is' ethos, the Rough Guides list includes more than 260 travel guides to 120+ destinations, gift-books and phrasebooks.

Johannesburg is severely underrated as a tourist destination. This could be because it has no beaches, no snow-capped mountains, and no ancient buildings. But Johannesburg has something else - it is a cultural and industrial centre, with an enormous array of entertainment events running day and night. Johannesburg is also the scene of the fall of the abominable Apartheid system. So Johannesburg is not only a cultural centre, but it is also politically one of the most significant cities in Africa, and the most economically powerful. Furthermore, the human race evolved in the Johannesburg area. So there are many reasons to visit. This book gives an introduction to South Africa and Johannesburg in particular. It covers all the things to see and visit in Johannesburg and its surrounds. It provides addresses, phone numbers and GPS coordinates of each tourist attraction, so that you can find them easily.

South Africa Investment and Business Guide Volume 1
Strategic and Practical Information

South Africa Mineral & Mining Sector Investment and
Business Guide - Strategic and Practical Information

Jabulani Means Rejoice is a dictionary comprised of hundreds of African names in local South African languages, meticulously assembled and expounded upon for the curious reader. Names are listed in alphabetical order with gender indications, as well as information regarding their ethnographic origins and meanings. Yet, Jabulani Means Rejoice is so much more than simply a list of names and their meanings. The author skilfully interweaves cultural context and history, including issues surrounding naming rituals,

File Type PDF Xitsonga Guide

domestic disputes and the curse of the evil eye. As a reference work, the book stands as an invaluable contribution to the growing interest in African cultural history. With its names ranging from the traditional to the unconventional, it will appeal to linguists, family historians and anyone with an interest in names.

Many people want to join the Peace Corps, and more than 160,000 people have since it was established by President Kennedy in 1961. But many more wonder what the Peace Corps involves and what they need to know before they can volunteer for this life-changing service. This informative book will guide you through the process of not only deciding whether you want to join the Peace Corps, but of showing you everything you will experience and need along the way. Finally, the process of returning to normal life will be hard, but this book will walk you through the procedure for returning home with a full section on how to adjust to your life. Complete with case studies and advice from past volunteers, this book is a valuable resource for potential Peace Corp volunteers. "Had this book been around in 1988 when I first joined the Peace Corps, it would have alleviated a lot of the guess-work. It really gives the reader a true insight into what to expect when deciding whether 'the toughest job you'll ever love' is for them. Pack your bags for great adventure!"-Jennifer Zweigbaum, Returned Peace Corps Volunteer, Mauritania, 1989-1990
